

## CT Wing CAP Conference and Safety Programs

This exclusive FAA Safety Team event is open to all pilots and is held in conjunction with the Connecticut Wing of the Civil Air Patrol's Annual Conference. Safety briefings will include emergency landings, aeromedical certification, primary accident causal factors and a review of local accident trends. Featured speakers include Lt. Col. Sandy Sanderson, Col. Fred Herbert, Capt. Bob Dodenhoff and FAA Safety Team Program Manager Jim Adams. Attend this exciting event and be part of the solutions... not part of the statistics!

**Directions:** I 91, Exit 21, turn West on RT. 372, turn North on to Sebethe Dr.

### A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
